

How to get an instrument!

Option 1: Rent-to-own (do this AFTER June 1st to get the best price)

Scan one of the following with your phone, or put the URL in a browser

Music and Arts

<https://www.musicarts.com/rentals?aid=2341>

Sweetwater.com

<https://www.sweetwater.com/instrument-rentals/rent/select-school/>

Option 2: Buy new outright, contact me for brands

Option 3: Buy used

- You can often find a deal through marketplace/craglist/ebay
- This often requires some service at the shop to be operational

Option 4: Rent through SMS

The SMS Band Program has a small number of instruments for rent for students in financial need. These are given on a first come first serve basis. These instruments are not shared across grade level, however the student needs to have their own reeds, oils, and cleaning supplies.

The cost for renting a school instrument is \$150 per year (can be paid by semester as \$75 dollars a semester). This helps us cover the cost of repair for the wear and tear on the instrument.

NOT AN OPTION: PLEASE NO AMAZON INSTRUMENTS,

If in need, contact me for a school instrument instead of one of these that will fall apart in 3 weeks.

These are the lower prices that take effect
AFTER June 1st. Wait until then to rent!
